**CONNECTIVITY
& POWER
SOLUTIONS**

Grounded by our past, wired for the future.

We offer a comprehensive line of industrial wire & cable covering a full range of commercial, utility, industrial, transit and OEM applications. Our product line includes power & portable cord, hook-up wire, mil-spec cable, automotive wire, marine & pleasure boat wire, and high temperature wire. Our tailored VMI Solutions provide a streamlined approach to inventory management and supplychain optimization through customized solutions. GCG Connectivity & Power Solutions distributes to a variety of niche markets through well-known brands.

Allied Wire & Cable is a specialty manufacturer and distributor of electrical wire, cable, tubing & accessories. Our products, services, and experience help many industries.

Cobra Wire & Cable is a world leader in developing and producing high quality wire and cable meeting virtually every electrical application.

ElectroWire is the largest stocking distributor of Exane[®], the transit cable of choice used in over 20,000 locomotives & light rail transit cars worldwide.

Seacoast is a specialty supplier of cable and associated electrical and electronic products for the military and shipbuilding industry, the oil and gas industry, and industrial markets.
