**CONNECTIVITY
& POWER
SOLUTIONS**

Grounded by our Past, Wired for the Future.

We offer a comprehensive line of industrial wires and cables covering a full range of commercial, utility, industrial, transit and OEM applications. Our product line includes portable cord, power, control and instrumentation tray cable, VFD, medium voltage, high temp and fire safety and circuit integrity products. GCG Industrial OEM distributes to a variety of niche markets through well-known brands. **Cobra Wire & Cable** is a world leader in developing and producing high quality wire and cable meeting virtually every electrical application. **ElectroWire** is the largest stocking distributor of Exane®, the transit cable of choice used in over 20,000 locomotives and light rail transit cars worldwide. **Allied Wire & Cable** is a specialty manufacturer and distributor of electrical wire, cable, tubing and accessories. Our products, services, and experience help many industries. **Seacoast** is a specialty supplier of cable and associated electrical and electronic products for the military and shipbuilding industry, the oil and gas industry, and industrial markets.

VALUE-ADDED SERVICES

Our value-added services help make your job easier by making cables easier to identify, faster to install, and tailored to your specific needs. You'll save time and money by letting us do some of the work for you.
