A GCG COMPANY

## Committed to Excellence

Seacoast is a specialty supplier of cable and associated electrical and electronic products for the military and commercial shipbuilding industry, the oil and gas industry, and industrial markets. Seacoast is proud to have been servicing these industries for over 70 years.

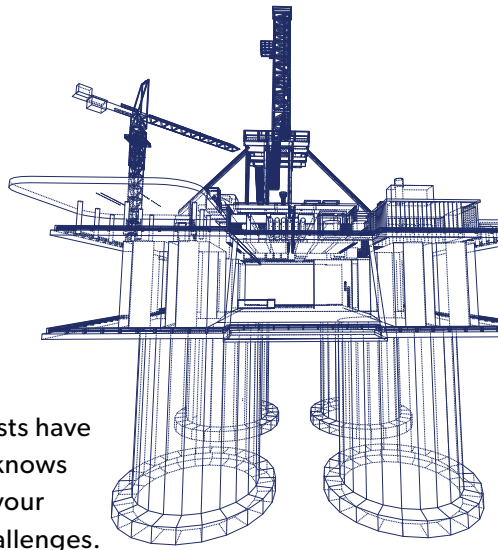

We maintain one of the most extensive and complete inventories of military, shipboard, marine, oil & gas and industrial cables in the industry. In addition, we stock marine electrical equipment, Navy symbol products and fiber optic network products.

With four strategically located facilities, we offer national as well as local support and inventory. Our specialists provide personalized support and superior service.

## MARKETS THAT WE SERVE:

-  Military
-  Oil & Gas
-  Commercial
-  Industrial Markets
-  Shipbuilding

## EXPERTISE & SERVICE

Seacoast's seasoned wire and cable product specialists have decades of experience in these industries. Seacoast knows your business demands and is committed to putting your needs first, providing reliable solutions to today's challenges.

For over 70 years, Seacoast has been proud of its commitment to continuous improvement, quality products, world-class support and excellence. Seacoast is ISO 9001 certified and a Certified Lean enterprise. We strive to continue to build solid customer relationships by being service-oriented. Seacoast will continue to focus on improving by being responsive to our customer needs.

## Our services make cables easier to identify, faster to install, and tailored to your specific needs.

-  Cut-To-Length Circuit Leads
